THE RULES OF THE PETR CECH FOOTBALL ACADEMY

1. All the participants are required to fulfill the instructions of the leaders, instructors, trainers, and teaching staff (the Staff) and follow the rules of the facilities where they are accommodated during their stay at the Petr Cech Football Academy (PCFA).
2. . The participants are not allowed to leave the area of the programme without the permission of the staff. This is also required during trips and other moves.
3. The participants shall report their illnesses and injuries to the staff and medical specialists of the PCFA. The participants who are excused from training for health reasons are not allowed to leave the accommodation facility without the permission of the staff.
4. Every participant of PCFA must keep all the rooms, corridors, sanitary, etc. clean. The use of electric devices, operating the heating, etc. is governed by the instructions of the facility manager. In case of damage to the property of the facility or of a third person, the offender agrees to compensate for the damage. All the damages must be reported immediately.
5. Smoking and alcoholic beverage consumption are strictly prohibited for all participants during the PCFA. It is also prohibited to hold and consume other toxic and addictive substances.
6. The participants of PCFA may store money and valuables at the staff, otherwise their safety is not guaranteed. The same is for things forgotten outside the accommodation facility. All the losses must be reported to the staff immediately.
7. The participants are obligated to follow the daily order of PCFA.
8. The participants are obligated to follow basic hygiene rules.
9. Violation of the PCFA Rules will be punished, depending on the level, up to expulsion from PCFA without compensation. Parents or legal representatives will be informed immediately.
10. The rules can be changed by the organiser. The organiser is obligated to publish the newest version of the rules on the event's website.
